Laura Wood grew up in the north of Italy devouring books, drawing on the kitchen walls of her parents' house and imagining animals could talk to her and become her friends.

Nowadays, she is a freelance illustrator living and travelling around Europe. Before relocating to that side of the world, she lived in Melbourne where she graduated in 2013 with a Diploma in Illustration. She has been successfully working as a full time illustrator ever since.

Her work can be found in picture books, educational publications, digital apps as well as editorial publications and advertising campaigns.
