

Horizon

By Scott Westerfeld

Horizon is a really good book. It is about some kids who were in a plane that crash lands and they have to survive and find a way out.

The book kept me intrigued because I wanted to know where the plane crashed. I can't wait for the next book in the series to come out to find out more! I also can't wait for the game on Scholastic that is about the book series to be released.

I give this book 5/5 stars it was totally awesome!
