

Press Start! Game Over, Super Rabbit Boy!

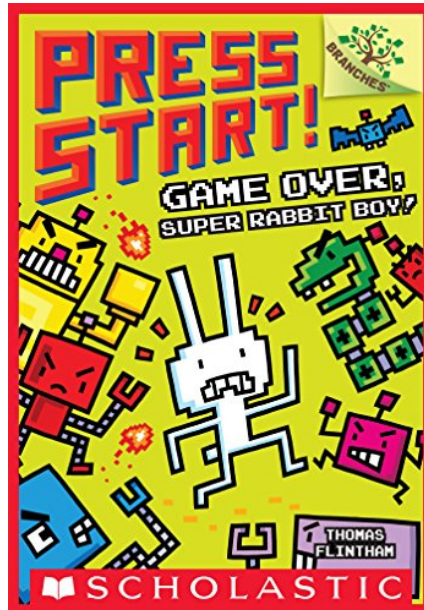

By Thomas Flintham

“It’s always GAME ON with Super Rabbit Boy!”
I read “Press Start! Game Over, Super Rabbit Boy!” and I really enjoyed it.

The story takes place in a hand held video game owned by a boy named Sunny.

At the beginning, we get taken to Animal Town. Everyone loves having fun and there is always sunshine until King Viking comes over and finds out that Animal Town is having fun.

King Viking hates fun, so he builds a robot army to destroy and ruin all of the fun.

Super Rabbit Boy has to fight King Viking through six levels of the video game to restore fun to the town and rescue Singing Dog but it won’t be easy as King Viking has set dangerous traps and hazards all through the six levels.

But will he save Singing Dog and defeat King Viking? To find out, you will have to read the book!

I really enjoyed this book, I rate it a 4 out of 5 and I recommend it for kids aged between four and nine.
