DRAGONS vs WOLVES

BY GLENN DAKIN

The ancient war between dragons and wolves is about to begin again.

As a young wolf learning to hunt, Rana is teased for being a daydreamer, while Fenn, her brother, is seen as a cheeky show-off. But when Rana survives a perilous encounter with a fire-breathing dragon, she is made spokeswolf for the pack. And Fenn's claim that he can sense danger suddenly doesn't seem so wild.

Only Rana and Fenn stand against the dragon's charm and magical power.

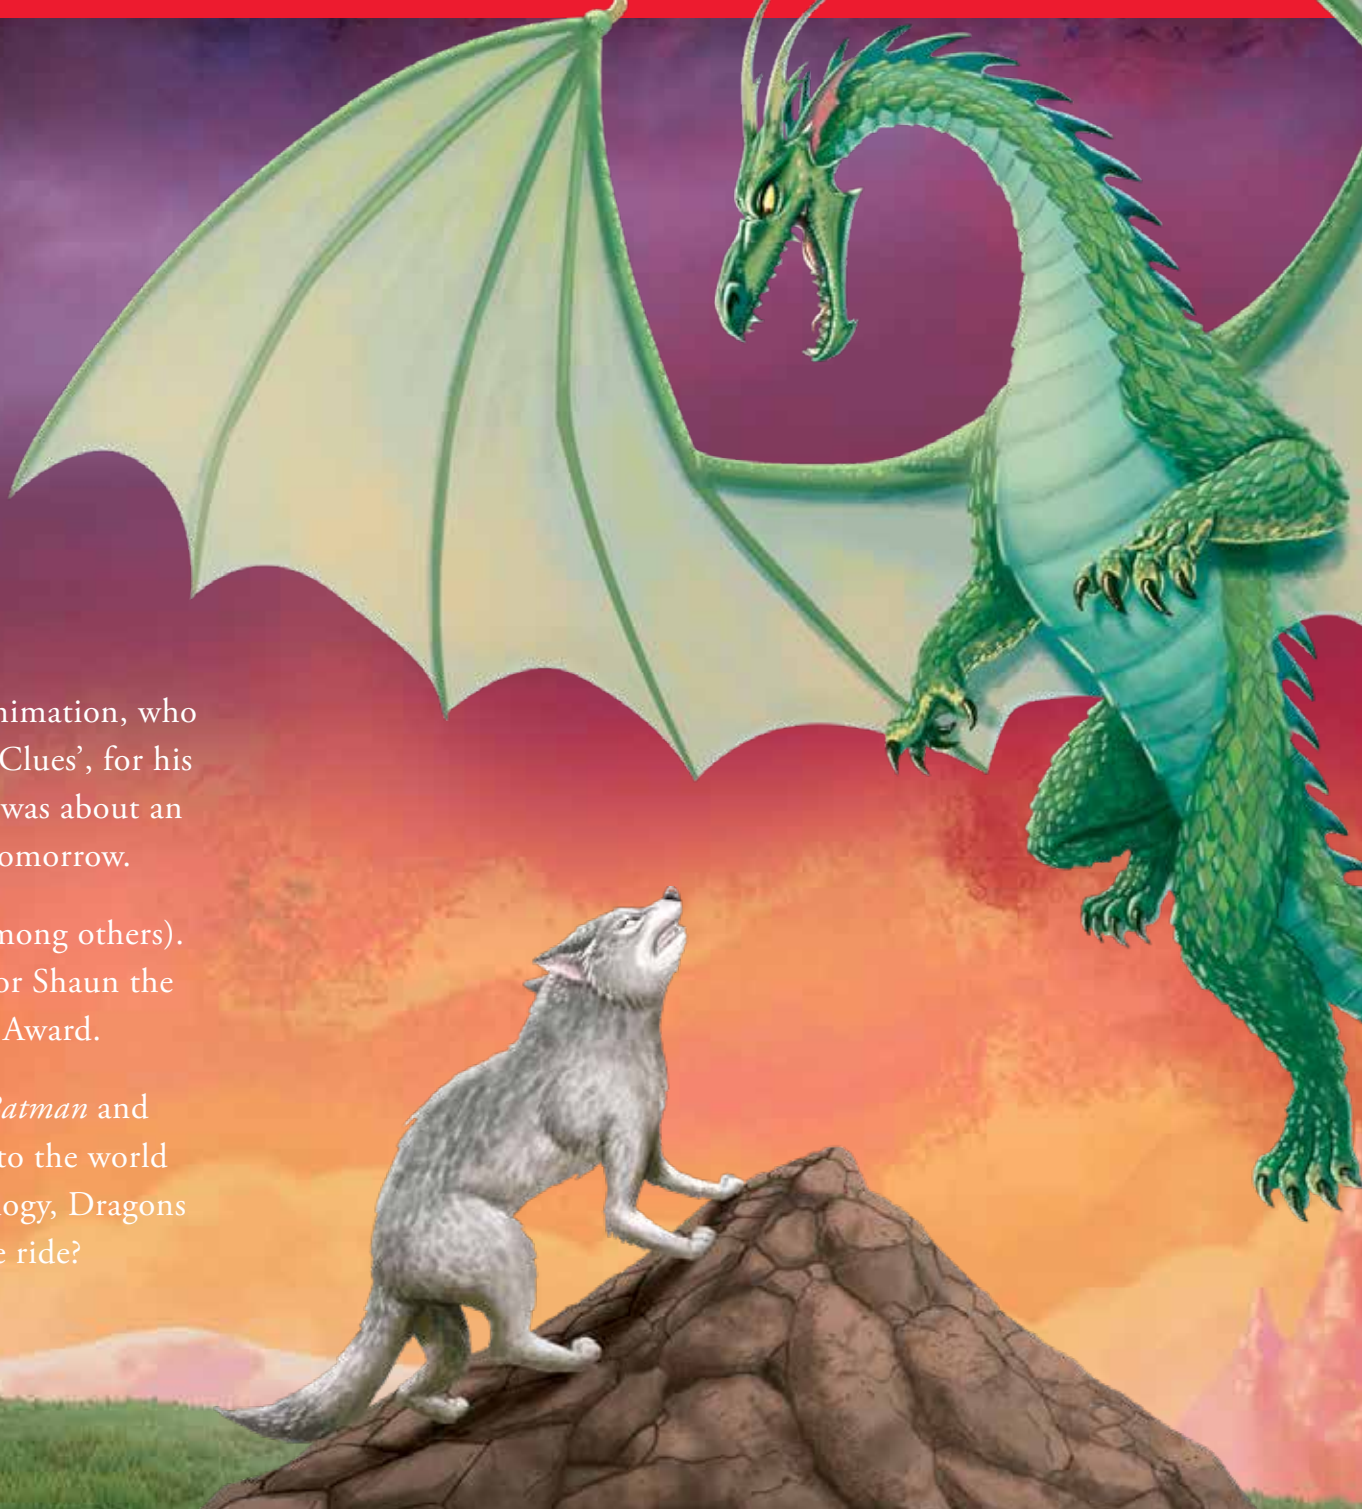

And the wolves' whole world is at stake.

Glenn Dakin is a writer of novels, comics and animation, who began his first story at the age of eight, called ‘The Ten Clues’, for his family to read. His first published children’s storybook was about an abominable snowman who puts everything off till tomorrow.

He went on to write for Marvel Comics and Disney (among others). His work in TV animation includes writing episodes for *Shaun the Sheep*, for which he won an International Emmy Award.

Recently he has written humour titles like *Be More Batman* and *Mr Spock’s Little Book of Mindfulness*. He now returns to the world of fantasy with *Fallen Star*, the first book in his new trilogy, *Dragons Versus Wolves*. Why not pick a side and join the ride?
