*Twas the night before Christmas; there wasn't a sound. Not a possum  
was stirring; no-one was around. We'd left on the table some tucker  
and beer, hoping that Santa Claus soon would be here.*

Christmas in the middle of an Australian summer means Santa  
has to find new ways to deliver his presents. The obvious solutions  
are to don a sunhat, shorts and a pair of thongs, not to mention  
ditching the sleigh and reindeer in favour of some roos and a ute.  
Every line of this traditional verse has been remodelled, replete  
with Aussie references. The gentle illustrations are packed with  
familiar icons cleverly woven into the visual narrative to recreate the  
warm, comforting, family atmosphere of Christmas. A special 10th  
anniversary edition of an Aussie holiday favourite.
