CREATING INCLUSIVE CLASSROOMS

IN THE SPOTLIGHT

The modern-day classroom continues to change and adapt. Traditional classrooms where desks all faced the teacher who stood at the front have evolved into more thoughtful and inclusive environments with flexible seating designs. The goal: to enhance the level of student engagement and promote academic success.

FLEXIBLE SEATING OPTIONS

Alternative seating options can be incorporated into the classroom layout to support students' learning styles. We've highlighted a few to consider:

- > **Sensory Chair Cushions** help students sit comfortably in any chair, a great aid to help children sit still and feel calm
- > **Air Cushions** can be placed on the floor to strengthen lower body muscles with textures to provide children with different sensations while listening
- > **Scoop Rocker Chairs** create a comfortable sitting position that allows moving and rocking
- > **Balance Ball Chairs** encourage students to practise healthy posture in a fun alternative to regular chairs
- > **Wobble Seats** allow students to move while sitting, helping them to focus while learning

Jy Goes for Gold*

Kimberley Kickers (Book 1): Jy Goes for Gold is an action-packed AFL illustrated series for ages 8+, from the award-winning authors of *Black Cockatoo* and *My Footy Boots*. Carl Merrison and Hakea Hustler have based the first installation from the series on First Nations man Jy Farrar.

KIMBERLEY KICKERS: Jy Goes for Gold

Written by **Carl Merrison and Hakea Hustler** with **Jy Farrar** | Illustrated by **Samantha Campbell**

Teaching Notes written by **Sue Warren and Gemma Myers**

BOOK EXTRACT

I'm about 35 metres out from the goal and, running on instinct, I do a snap kick of the ball. I watch as the footy flies through the air.

Will it bend enough?

I can hear the roar of the crowd but my focus is on that red ball. It flies through the big white sticks.

It's a goal!

I'm Jy Farrar and this is my first professional match and the dream I had to play AFL since I was a kid in outback Halls Creek has finally come true.

Let me tell you the story of how I got here — about my mates, my family, growing up in the Kimberley around the bush and the red dirt and spinifex and goannas, playing footy and going to boarding school far away from home.

KEY THEMES

- Families
- Belonging
- Choices
- Resilience

BEFORE READING

1. Class discussion on sports.
 - What are sports the students play (or would like to play)?
 - What sports do they watch?
 - What teams do they follow?
 - Would they like to be a professional sportsperson?
 - What do they think they would need to do to achieve that?
 - What is their favourite football code? Why?
2. Show students the cover of *Kimberley Kickers: Jy Goes for Gold* and invite comments and questions.
 - What is the setting?
 - What football code do they think it is about?
 - Where is the Kimberley?
3. Locate the Kimberley region on a map and brainstorm what they think it is like. (Students may know the authors' other work, or that of other writers and illustrators set in this part of Australia, which would give them background knowledge.)
 - Use Google Earth to virtually explore the Kimberley.
4. What do students know about Aussie Rules football? Hot Potato or brainstorm and create an anchor chart.
5. Set up a learning wall in the classroom, and begin to add facts, questions and vocabulary.
6. Organise a classroom library to have related titles including others by these creators and non-fiction about football or the outback.
