

**I'm done with being tiny.  
It feels like I've been cursed.  
Small and weak and overlooked,  
yes, kid-life is the worst.**

**Too little for  
that slide.**

**I'm too short for  
the flying fox.**

**And let me guess,  
oh yes, of course,  
'Not tall enough  
to ride!'**

**Oops.**

**I didn't mean to toast you.  
Or your lovely queen.**

**Nevermind . . . Hey, see me fly.  
Looping loops is easy!**

**I may have done too many though.  
I feel a little queasy.**
