Q&A with ELIANA AVATAR

Tell us in your own words about the Royal School for Roblox Princesses.

Hi, everyone! I'm Eliana Avatar and I go to the Royal School for Roblox Princesses. You can read all about my time there in my books! The first book is called *Surprise Pets* and it's all about how I met my magical pet.

Tell us about your magical school.

Our headmistress is named Ms Glimmer. At our school, we have princesses from all around the land. We take classes in kingdom-ruling, diplomacy, fashion, magic and animal training. If we pass all our tests, we graduate as official princesses, ready to rule our kingdoms. The school is a boarding school and we each get our own rooms. We can decorate them however we like! We also get a magical egg each that hatches into our own special pet.

Tell us about the unique personalities of your friends and their pets.

My best friends at school are Princess Kiara and Princess Melody. We are all such good friends, but we have very different personalities and talents. I love everything pink and sparkly! I love dogs and horses and I decorated my room

with a plush pink couch and a beautiful pink netting which hangs over my bed. I have glittery cushions and soft plush toys. Melody's room looks like an enchanted forest because she loves animals so much. So it also makes sense that her secret magical pet is a little fox! Kiara is a bright and bold avatar, just like her room! She loves disco lights, rainbows and music. Her pet is the cutest, funniest little sloth who can be a little lazy. I won't tell you what animal hatched as my pet—you'll have to read my book!

What have you learned on your journey so far?

Just like any school, the Royal School has all types of avatars. And some of them can be, well, a bit tricky. There's one girl named Raven who is from a kingdom that is not on the best terms with mine. She can be pretty mean, so I have to learn how to

stick up for myself while also being kind and not letting myself sink to her mean level. I've also learned that your true friends are the ones who love you for who you are, and the ones you can rely on.

What's next for Eliana Avatar?

Well, this is super exciting. After a short while at the school, we get sorted into our specialist groups, called our Realm, and our own special power! Our unique powers are called our Whimsies and can be anything from magically creating light to talking to animals. If you want to find out what my magic gift is, you'll have to wait for the next book!
