QTY

In a bizarre post-apocalyptic world, the Skibidi Toilets—an alien species of mechanised toilet hybrids—wage war against the Alliance, a coalition of humanoid warriors with cameras, speakers and TV screens for heads. Both sides vie for supremacy and tensions continue to escalate, with each force deploying colossal Titans in their battles. But it is not long before an even greater threat emerges: the mysterious Astro Toilets, a powerful extraterrestrial splinter faction. Forced to unite against this new enemy, the conflict reaches new heights of technological warfare, deepening the mysteries of the Skibidi universe. In this official guide, you'll find details on towering Titans, elusive secret agents and the gadgets they rely on. Each page uncovers their stories, abilities and secrets, so you can stay one step ahead in their exciting, unpredictable world. This handbook truly holds the key to unlocking the mysterious world of Skibidi Toilet!

DON'T BE FOOLED!

G-MAN TOILET HAS BEEN KNOWN TO USE DECOYS THAT LOOK EXACTLY LIKE HIM AND ARE ONLY AS STRONG AS YOU MAY THINK. YOU'VE HEARD HIM, RIGHT? HE COULD STILL BE OUT THERE!

He added two side-mounted laser cannons and a jetpack, as well as changing his color to gray. He then increased his size and upped his laser cannons to six, as well as adding headphones and yellow sunglasses for protection (file 57).

REACTION TIME

After a further increase in size, he changed his color to black and took up wearing black sunglasses, replaced his six laser cannons with two large ones, and added a reactor core (file 67). After coming close to destruction at the hands of the three Alliance Titans (file 74), then joining forces with the Alliance against the Astro Toilets, he came back with yet another new design, including face-mounted laser cannons and mechanical claws (file 77).

Other Toilets will often put themselves in unnecessary danger, and seem willing to sacrifice themselves for the Toilet cause. G-Toilet isn't like that. He's always got troops around him, and if he feels like a battle is turning against him, he'll retreat and come back to fight another day.

THE EXACT NATURE OF G-TOILET'S RELATIONSHIP TO THE ASTRO TOILETS IS UNKNOWN. COULD HE HAVE BEEN A COMMANDER-IN-THE-ASTRO FACTION? WHAT IS THE ORIGIN OF HIS ISSUES WITH THE AGGRESSIVE ASTRO TOILET?

28

BUZZSAW MUTANT

	SPECIES SKIBIDI MUTANT
	OCCUPATION G-SQUAD MEMBER
	FACTION UNKNOWN
	HEIGHT UNKNOWN-LARGE

CRITICAL INFORMATION

Like other Mutants, the Buzzsaw Mutant has a humanoid body seemingly harvested from a felled member of the Alliance—in his case, the body of a Large Cameraman. His most notable feature is that his right hand has been replaced by a buzzsaw (file 62). In his upgraded form, the Buzzsaw Mutant also has a laser cannon fitted to his right arm, and is equipped with cyber katana blades and can be recalled to his hand after being thrown or dropped.

CALM IN A CRISIS
The Buzzsaw Mutant approaches combat in a casual manner, taking his time over kills. He has often fought alongside the Berserker Mutant, allowing the Berserker to distract opponents while he springs an ambush (file 62).

HE HAS ONLY ONE HAND, BUT CARRIES TWO KATANAS. I GUESS THE OTHER IS A SPARE IN CASE ONE GETS BROKEN?

32

He successfully resisted an attack by Large TV Man, putting on sunglasses quickly enough to protect himself (file 66). After joining G-Squad, the Buzzsaw Mutant was one of those who took on a Specialist Astro Toilet (file 77). It was his cyber katana that saved the life of a Cameraman at the start of the union between the Skibidi Toilets and the Alliance.
