

A breeze feels good,
and sunshine too,
upon a **NAKED BOT**.

The sandpit, not so much —
pants free, the sand gets **STUCK A LOT**.

But even though you'd love to
FREE YOUR BUM most every day,
there's a proper time and place.
For school, please put your **TUSH** away.

The shops require pants.
BARE BACKSIDES aren't allowed.
Your **DERRIÈRE** belongs to you.
Don't share it with a crowd.
