Give me your buns and your biscuits!
Give me your chocolate eclairs!
For I am the Rat of the highway,
and the Rat Thief never shares!

Life is not safe for the other animals as the villainous Highway Rat gallops along the highway, stealing their food. Clover from a rabbit, nuts from a squirrel—he even steals his own horse's hay. Then he finally gets his comeuppance, courtesy of a cunning duck ... A fabulous, rollicking rhyme in the style of the famous Alfred Noyes poem, 'The Highwayman'.

Betty O'Barley and Harry O'Hay know just what they need for the perfect wedding day: a goose-feather dress; two wedding rings and lots of pink flowers! But as they search the farm to find everything on their list, things don't quite go to plan and the scarecrows' special day is almost ruined by wicked scarecrow, Reginald Rake. Stunning foiled edition makes this a great gift!

Who's that singing on the savanna? It's the top-five ugly animals in Africa. The wildebeest, warthog, vulture, hyena and marabou stork swagger proudly across the savanna, rejoicing in their ugliness–and delighting their babies, who think they're perfect just the way they are. Inspired by the real-life Ugly Five safari animals, Julia Donaldson and Axel Scheffler's brand-new picture book is a jubilant celebration of animals who are often rather unloved. The funny, heart-warming rhyme is a joy to read aloud, while bold, comical illustrations bring the savanna spectacularly to life.

One of the most important lessons a young witch or wizard learns is how to duel. Now, readers will have the same information at their fingertips in the official Duelling Wands book! This book breaks down the basics of duelling and some of the most recognisable spells. Plus, relive some of the biggest, most exciting duels from the Harry Potter films, like those between Harry and Draco, and Dumbledore's Army and the Death Eaters. Readers can put this knowledge to the test by pretending to duel a friend. This book comes with TWO sound-making wands that readers can use to recreate famous wizarding battles and imagine their own. Both wands are motion-activated and will make one of five spell sound effects when waved, like the crack of a Stunning Spell or the whoosh of a Disarming Charm. The five spell sounds in the wands are randomised, so each duel will be a new adventure! With full-colour art and movie facts throughout, this interactive wand book is a must-have for all Harry Potter fans!

Even with Jack at her side, though, being a ruler isn't easy, and Sally feels uncertain of her future. Her seams are stretched thin with her royal duties, her newfound family in Dream Town, and a desire to bring citizens from across the Hinterlands together. Then, when Sally and her new rag doll apprentice, Luna, fall through a mysterious portal, they find themselves in a new realm called Time Town. They soon discover that someone has tampered with the clock that controls Halloween Town, and Sally cannot return to the present-day version of her home unless she finds the culprit and resets time. Sally and Luna embark on a journey to unmask the truth, encountering more towns, friends and foes along the way. But the clock is ticking, and as Sally fights to save Jack and her hometown, she wonders what kind of future she really wants—and what she must sacrifice to get it.

To make matters worse, when Sally and Zero discover a hidden doorway leading to the previously unknown Dream Town, the resulting cascade of calamities threatens not only her new position as Pumpkin Queen, but also the very foundations of her world! To save her beloved home, Sally will have to summon all the strength she has within her seams—or else the future could become a nightmare without Halloween! Featuring timeless characters from Disney *Tim Burton's The Nightmare Before Christmas*, this all-new graphic novel is adapted by acclaimed author Liz Marsham (*Disney Princess: Ariel and the Sea Wolf*, Disney Tangled: The Series Comics) and illustrated by Alessio Petilo and Ismael Canales with hauntingly beautiful cover art by comics legend Jill Thompson!

In a place full of the frightening, you'd think living in the shadows wouldn't feel so … isolating. She knows she could do so much more if she wasn't always stuck in the lab of her creator, Dr. Finkelstein. Soon Sally is surprised to learn that the Pumpkin King, Jack, is longing for a change of his own. Determined to find a solution for them both, Sally follows a vision that could be the key to changing their fates. This official book walks readers through many of the magical spells, potions, and creatures encountered throughout the films. Meet the professors who teach Harry and his classmates at Hogwarts. Discover how to get rid of a pesky Boggart, which spell will help you escape the clutches of Devil's Snare, and what ingredient should not be added to a Polyjuice Potion. (Hint: It's cat hair.) Plus, use the included light-up wand pen to write hidden notes and complete fun, interactive activities—like revealing which magical creatures live beneath the Black Lake and what happens when you cast Engorgio on a tiny spider. With tons of movie facts throughout and full-colour art on every page, this interactive activity book is a must-have for all fans of the Harry Potter films!
