In a realm without dreams, one fairy's magic could unravel it all. When frost fairy Periwinkle travels too close to the forbidden border where Spring meets the Winter Woods, she begins to dream for the first time. While Periwinkle's dreams start sweet, they slowly morph into disastrous visions of the Pixie Dust Tree—the source of life for all of Pixie Hollow—destroyed. Soon, Periwinkle is confronted by Weaver, the infuriatingly handsome stranger, who claims to be a dream-talent fairy, the last of his kind. There's a chance he can spin Periwinkle's dreams into dream-thread, which could protect the Pixie Dust Tree. But dreaming is dangerous, and as Periwinkle's dreams begin to unravel, she will start to question everything she thought she knew. For in Winter, even beautiful things can hurt you ... and Weaver is no exception.

KEY SELLING POINTS:

- Set centuries after the *New York Times* bestseller *Wings of Starlight*, *Wings of Reverie* further expands the world of Disney Fairies and explores the story of Periwinkle and Weaver.
