

DRESS UP time

Does your child get a bit cranky when they're woken up from their naps? Are they great at giving big, warm bear hugs? Encourage them to grab their fuzziest jumper and practise their bear roar (and snore) by dressing up as The Very Cranky Bear!

THE VERY CRANKY BEAR

When four friends encounter a cranky bear, Moose, Lion and Zebra all think they know how to cheer him up. But it is plain, thoughtful Sheep who has the answer!
