Celebrate the Marvel Cinematic Universe through the voices of its most complex and diverse characters, from Iron Man to Spider-Man and from Captain America to Captain Marvel. These heroes aren't just high-tech suits and super-powers—they're part of a team, part of a family, part of a bigger universe. At their very cores, they're the essence of what it means to be human and to be heroic, even when the two are fundamentally at odds. Filled with the most amusing, inspirational, and awe-inspiring quotable moments from the characters that make these iconic films what they are today, this collection is a must-have for every Marvel Studios fan who finds a bit of themselves in their favourite hero.

In the technologically advanced African city of Numbani, in the not-so-distant future, humans live in harmony with humanoid robots known as omnics. But when a terrorist tries to shatter that unity, a hero named Efi Oladele rises! Efi has been making robots since she was little. But after she witnesses Doomfist's catastrophic attack on the city's OR15 security bots, Efi feels the call to build something greater: a true guardian of Numbani. She engineers an intelligent and compassionate robot, Orisa, who has a lot to learn before she's ready to defeat Doomfist. Can Efi mould Orisa into the hero of Numbani before it's too late?
