

What's
for dinner,
Mum?

Carrots.

I don't like carrots.

Yes, you do, Betty.

You eat them all the time.

GASP!

I NEVER eat carrots.

You had carrots for lunch ...

You had carrot cake yesterday ...

We're rabbits.
Rabbits eat carrots.

**That doesn't sound
right to me ...**

Carrots for dinner will be nice.
We'll chop them and—

Great idea!
Let's have
CHOPS!

We're not having chops, Betty.
We're rabbits. Rabbits eat carrots.

But that's stupid!

Carrots are STUPID!

Carrots are
ANNOYING!

Carrots are
MAKING ME
ANGRY!
