Welcome to the town of Barksdale, where the canine residents strive for perfection. Every shopkeeper claims to be the 'best groomer' or sell the 'best biscuits.' And at Barksdale Academy, the pressure is on every year for one pup to be named Best in Show. Nova, Duke, Harley, and Peanut have never won Best in Show... which is okay with them! But they have to work together to pass their Agility Exam, because either the whole pack passes or the whole pack fails. Will the pups make the grade, or are they doomed to be Underdogs forever?

CLFNZ NOTABLE BOOK

The Tangiwai disaster, on the eve of Christmas 1953, remains one of the major disasters in New Zealand's history. Peter Cotterill, age 13, starts the year writing in a journal given to him by his great aunt. We follow him through a year of many changes as his town of Napier struggles through hard times in the aftermath of World War 2. He joins the scouts and learns to overlook the small-town class structure. The story climaxes in a train ride to Auckland with his fellow scouts on the eve of Christmas. In the night, unbeknown to the travellers, a lahar has washed away a railway bridge... culminating in an event so tragic that it shocked the nation.

SALES POINTS:

- *Journey to Tangiwai* was the very first My NZ Story title published in 2003, now available with a striking new cover.
- Napier-born and bred, award-winning author David Hill calls on much of his and his own family's experiences to give the story an authentic voice.
- Family life, conflicting values and a factual event have been skilfully interwoven.
- Includes an interesting historical endnote and photos of the period.

What if Meg had to become a Greek god? After Hercules proves he's a true hero and regains his godship, all seems right in the world. That is, until Zeus tells Meg that she can't be with Hercules because she's, well, mortal. Luckily, Hera has a solution, offering Meg a chance to prove herself worthy of a spot on Mt Olympus—as a god. All Meg has to do is complete a mysterious quest. The mission? Oh, just to rescue her ex's current wife from the Underworld. The ex-boyfriend she saved by selling her soul to Hades. The ex-boyfriend who immediately moved on to someone else while she was stuck in the Underworld. Can Meg put her past behind her and use her quick-wit to defeat monsters and gods alike, including the nefarious Hades? Will she finally figure out her place and contribution to the world? Or will her fear of commitment have her running away from an eternity of godhood with Herc? The next instalment in the Twisted Tales series, *Go the Distance* features sardonic Meg, a frequent favourite female icon of the Disney catalogue, venturing off on her own journey for the very first time.

Kamala, Doreen and Miles are back at Avengers Assembly for a new semester! When Captain Marvel announces she's adding staff to the school, the students aren't sure who could possibly join—but it looks like Cap went above and beyond, and the school is full of new teachers!

With all these new teachers, it's hard to keep track of who's teaching what, and what they're supposed to be learning. And some of these teachers are really not acting like heroes at all, but more like... super-villains? All this new staff has created a lot of confusion that is ripe for exploiting! Someone is impersonating students and teachers, using lies and deception to break up the new generation of heroes. Can Doreen and her friends get to the bottom of this scandal? Or will this be the end of the Avengers Assembly?

A string of bad luck you can't seem to shake... for Angel, Hudson and Sergio, it's an all too familiar feeling. Repulsed by her spoiled stepsister's lavish birthday party, Angel exacts a hasty and ill-fated revenge. Hudson's young life is littered with tragedy and broken dreams, but a well-paying security job might just be all he needs to turn things around. Sergio acquires a unique novelty toy that instantly brings good luck, but is the toy really leading him to happiness... or to a more monstrous end? In this eighth volume, *Five Nights at Freddy's* creator Scott Cawthon spins three sinister novella-length stories from different corners of his series' canon, featuring cover art from fan-favourite artist LadyFiszi. Readers beware: This collection of terrifying tales is enough to unsettle even the most hardened *Five Nights at Freddy's* fans.
