WORST WEEK EVER!

NEW SERIES BY
EVA AMORES & MATT COSGROVE

EVA AMORES & MATT COSGROVE

WORST WEEK EVER!

MONDAY

EVA AMORES

is a designer/photographer who has worked for the Sydney Opera House and the ABC. She was born in The Philippines and moved to Australia in high school. She likes shoes, travelling and more shoes.

MATT COSGROVE

is the best-selling author/illustrator of Macca the Alpaca and the Epic Fail Tales series. He was born and raised in Western Sydney. He likes chocolate, avoiding social interactions and more chocolate.

Eva and Matt met when they were randomly placed together for a group assignment at University twenty-five years ago and they've been collaborating ever since. They've made dinner, cakes, a mess, the bed, mistakes, memories, poor fashion decisions and two actual humans, but this is their first book together.

When the world was in lockdown and looking grim they could have mastered sourdough or binge watched Netflix but, no, they decided to create this series instead—THE WORST WEEK EVER! (Sorry about that.)

Here's a photo of Eva and Matt so if you ever see them in real life you know to run in the opposite direction.

"MONDAY really socks"

A DUCK CALLED BRIAN

AL MURPHY

Al Murphy graduated from the Liverpool School of Art in 1999 and has been a commercial artist ever since, with a diverse range of clients including the BBC, MTV, Perrier, Air France and EMI Records.

In 2013 he illustrated Clare Foges' *Kitchen Disco* for Faber Children's which has sold over 700,000 copies to date. Buoyed by the book's success he decided to pursue his ambition to write and illustrate his own children's book before quickly realising that he'd wildly underestimated how difficult it would be and that he wasn't quite as big and clever as he thought he was.

Eventually, Scholastic suggested the idea he'd been looking for may have been staring him in the face all along in the shape of Brian, a recurring duck character he'd been drawing for the past 10 years.

The resulting book, *A Duck Called Brian* is an introduction into Brian's life and all that is important to him: milk, Duck Nuts and friendship.

Al lives in London with his wife Annie, son Casper and dog Cupid.
