## COMIC CLUB IS BACK WITH A NEW POINT OF VIEW!

## DAV PILKEY

As a child, Dav Pilkey was diagnosed with dyslexia and ADHD. Dav was so disruptive in class that his teachers made him sit out in the hall every day. Luckily, Dav loved to draw and make up stories, so he spent his time in the hallway creating his own original comic books. In the second grade, Dav Pilkey created a comic book about a superhero named Captain Underpants. His teacher ripped it up and told him he couldn't spend the rest of his life making silly books. Fortunately, Dav was not a very good listener.

Dav has gone on to create award-winning and best-selling books for children. His **CAPTAIN UNDERPANTS** series has more than 80 million copies in print worldwide and has been translated into more than 28 languages. Dav's creation, **DOG MAN**, continues to be a #1 NEW YORK TIMES best-selling series. Dav's newest creation, **CAT KID COMIC CLUB**, released in December 2020 is already being devoured by readers around the world.

Julie Molina and her band, Julie and the Phantoms, play their dream gig at the Orpheum. It was supposed to be Luke, Reggie and Alex's unfinished business as ghosts, so they could cross over. But they didn't. And now, suddenly, Julie can feel them. Whatever happens next, Julie and the guys know they've just had one of the best days of their (after) lives. And it gets Luke and Julie thinking about their last perfect days... For Luke, it was the day he died—the day Sunset Curve was supposed to play the Orpheum. For Julie, it was the day before she found out her mum was sick—the last normal day before her life changed forever. This exclusive Julie and the Phantoms story is told in flashbacks and alternating points of view!
