ALL ABOUT A PUG

FRIDAY

Dear Diary,

BARON VON BUBBLES here. But everyone calls me

BUB.

Here are some things to know about me:

I always dress to impress.

I make many different faces:

Belly Rub Face

Have to Go Out Face

REALLY Have to Go Out Face

Face for Duchess
(She acts like she owns the place.)

Be on your way, minion.

Hey, you're not the boss of me!

DUCHESS

Face for Nutz
(He steals my stuff all the time.)

Come and get it, pug!

Oil! Give it back!

NUTZ

Here are some of my favorite things:

MY SKATEBOARD

BEAR

PEANUT BUTTER

You know what is NOT my favorite?

GETTING WET.

When my human, Bella, first brought me home, I jumped into a bubble bath with her. But eeeek!

There was WATER under the bubbles! Bella laughed so hard. (That's how I got my name, by the way.)

You know what else is wet? RAIN. I will NOT go out in the rain. Not even if I have to do my business.

No! NO!
No! NO! NO!

But back to Bella. She is the most important thing in my life. We met at a pet adoption fair. It was love at first sniff.

You are soooo cute!

What is that yummy smell?

We have loads of fun together.

One of our favorite things to do is **ARTS AND CRAFTS.**

But she can be forgetful sometimes, like when she forgets her lunch for school. I always help her out.

Thanks, Bub!
