The tenth book in the *New York Times* best-selling Villains series takes a dive into the Underworld, exploring how Hades turned from god to villain.

The myth has been told for centuries: brothers Zeus, Poseidon and Hades waged a years-long war against their father Cronus and his tyrannical Titans. Upon their mighty victory, Zeus split the world into three. For himself, he claimed the Sky and what fell below it. To his brother Poseidon, he assigned dominion over the Sea. And his oldest brother, Hades, would rule the Underworld. While Hades tries to make the best of a lonely situation, eternity proves a long time to be forced to live in a role—a domain—he never wanted. And the part of the story no-one tells is that when your family treats you like a villain, it is far too easy to become one.

Years of being ignored and shamed by his family reach a fiery head when three perfectly alive witches find their way into the land of the dead. Bored and lonely, Hades befriends these mysterious Odd Sisters and makes a bargain that will change the course of fate. But when you're a god, making a deal has the potential to rewrite more stories than just your own ...

NUEVA YORK. It is the future of New York City, the home of the Spider-Man of 2099, and where Anya finds herself stranded, tossed across the century. And Nueva York's Spider-Man, billionaire CEO Miguel O'Hara, is Arana's only hope of getting home. But Arana and Spider-Man are about to discover that the enemies they face have dark and powerful connections to both heroes—and that this unlikely team across time will need to save much more than each other ...

This is a happy face, this is a sleepy face, this is an angry face, this is a surprised face ... Happy, sleepy, angry, SURPRISED! This colourful and rhythmic, sturdy board book introduces toddlers and pre-schoolers to eight essential emotions: happy, sleepy, angry, surprised, excited, sad, nervous and silly. Characters from *Super Simple's Noodle & Pals* show off each emotion with bold facial expressions, but wait for the surprise at the end—a mirror, so readers can make their own faces!
